Hold the Date for GC44 Virtual Meeting Training Workshops

As you know, GC44 is being held exclusively online. PheedLoop, a Canadian-based virtual event platform, is the platform being used to deliver the meeting. This platform was selected for the accessibility and translation features not available with other event systems and you do not need to download or install anything to use it.

Training sessions have been arranged to introduce you to the PheedLoop platform including how to login and access the various features. Training is mandatory, and you only need to attend one session. Trainings will be one hour in length, and time will be allotted to address questions you may have. Please keep one of the following dates and times available:

- Feb. 3 early session: 8:00AM PT / 11:00AM ET / 12:30PM NT
- Feb. 3 late session: 4:00PM PT / 7:00PM ET / 8:30PM NT
- Feb. 6 early session: 12:00PM PT / 3:00PM ET / 4:30PM NT
- Feb. 6 late session: 4:00PM PT / 7:00PM ET / 8:30PM NT
