- Participants and leaders of Youth Forum, including 38 Youth Forum Interns and 9 Intern Coordinators
- Alternate Commissioners who faithfully followed the business if and when they might be called to step in
- People who helped us to be our best and do our best including chaplains, the equity support team, the business table, facilitation team, and language interpreters
- Worship leaders, musicians, exhibitors, guest speakers and everyone who enriched the meeting beyond business
- Global and Ecumenical Partners bringing wisdom from diverse cultures and contexts
- Ones who helped ground us in wisdom, theology and history including the principals of the theological schools, former Moderators the National Indigenous Elders Council and two Honoured Elders, Ray Jones and Elenor Thompson.
- Countless staff and volunteers managing every element behind the scenes.

We have been joined by an additional 312 registered visitors, and many more observers, spectators and followers through the video broadcast, news updates and social media.
